Section 1: General Rules and Regulations

- 1) **Proof of insurance is mandatory** at every show in order to show or ride horses while on show grounds. For Island competitors this must be paid through Island Horse Council and is \$35.00 for the year for each individual (family rates do apply). Out of Province Competitors must show proof of liability insurance from their own provincial board (ie. NSEF or NBEA).
- 2) Show participants must be current members of IRHA. Membership fee is **\$10** and a form is included in the show book.
- 3) It is the responsibility of each competitor to ensure that they enter only classes which they are eligible for.
- 4) Full payment must accompany the entry forms. If no money is received with the form, no entry is confirmed. Please refer to the individual show forms for applicable post entry dates and fees. Penalty post entry fee of **\$20.00** will be charged for late entries.
- 5) A **\$15.00 horse fee** will be charged for all horses not competing but using the show grounds. We ask that you register with the show secretary.
- 6) Refunds on entry fees can be requested up until the day of the show, however stall fees are non-refundable at all times. No refunds will be accepted the day of, or after the show.
- 7) Please send stall fees in with your entry forms for all shows. Tying to your trailer is not permitted on the show grounds due to liability reasons, thus a stall must be purchased for those shows by all participants. Please clean your stall and surrounding area prior to leaving the show grounds.
- 8) In the event of a tie, the next placing will not be awarded. For example, if there is a tie for second place, there will not be a third place awarded. The prize money for the tied placings will be added with the next placing and split.
- 9) NRHA patterns will be used in all classes. Pattern selections is documented on entries. Patterns can be found at nrha1.com/media/pdf/handbook/2015/patterns.pdf
- 10) No contestant may address the Judge without the approval of the ring steward.
- 11) A rider can ride a maximum of three (3) horses of any gender in a class.
- 12) All horses entered in a class must be assembled in ample time to allow the class to continue without delay. A contestant will have thirty (30) seconds to make his/her way to the ring after their number is called. Failure to do so will result in elimination. The decision of the person calling the numbers is final.
- 13) All entries must be drawn for position and must be run as drawn. If a rider has two (2) horses in one event, the rider will be allowed a spacing of at least two (2) horses between his/her mounts, if numbers allow.
- 14) Riders must make a point of being dressed neatly and cleanly. Appropriate western attire is required which includes pants (slacks, trousers, jeans), western hat or helmet and boots. Shirts must have long

sleeves. The hat or helmet must be on the rider's head when the exhibitor enters the arena. Chaps are optional. Should proper dress not be adhered to, the judge may have due cause to disqualify the rider.

- 15) Horses will be shown with proper western saddle and bridle, saddle pad is mandatory. Equipment must be neat and well kept.
- 16) Chain curb straps must be flat and allow two fingers between the horses' jaw and the strap.
- 17) During an IRHA sanctioned event or show, any exhibitor may be disqualified (for the entire show) by any IRHA official acting under the Judges authority if the said exhibitor does abuse a horse, the Judge or any IRHA official. Use of excessive force on a horse can, and will, be used as grounds for dismissal (ie. excessive spurring, whipping etc). All equipment must be non-abusive and humane.
- 18) The use of a rawhide braided, leather braided, or rope bosal is allowed in the Junior horse.
- 19) All Youth riders competing must wear CSA approved headgear in competition and on the show grounds at all times when mounted.
- 20) No lunging will be permitted after 7:30am the morning of the show.
- 21) While in the show ring all riders will pass left to left.
- 22) Horses must not be left unattended outside of the stall.

Additional repetitions of required maneuvers are appropriate, but will only add or subtract from the existing scores already given for the required maneuvers, not as additional scores.
